## DISCOVER AÇAÍ

The Berry That Changed The World

More than just a tasty purple berry, Açai (pronounced AH-SIGH-EE) is thought to be the most powerful food in the Amazon. Wild harvested by hand from the Rainforest's palm trees for centuries, this nutritional powerhouse has long been a staple of indigenous diets.

### ANTIOXIDANTS RICH

a champion of heart and brain health  
(think olive oil, walnuts or fish)

### PACKED FULL OF HEALTHY OMEGAS 3, 6, 9

tackles free radicals to help keep your defences high.  
Just like blueberries. Only tastier.

### CERTIFIED ORGANIC & FAIR TRADE

to be mindful of our impact on the local environment and to support people who harvest it.

### LOW IN NATURALLY OCCURRING SUGARS

which means less sugar spikes and more goodness
